BROCHURE

MESSAGE

Dear Colleagues and Friends,

It is our great honour and privilege to invite the anaesthesia community from across India and around the world to RSACPCON 2027, a landmark gathering that will bring together clinicians, academicians, researchers, and innovators in the historic city of Lucknow from 1st to 4th April 2027. As one of the most significant forums for advancing knowledge, collaboration, and professional excellence in our specialty, RSACPCON 2027 promises to inspire meaningful dialogue and shape the future direction of anaesthesia, critical care, and pain medicine. We warmly welcome you to be a part of this transformative scientific and professional journey.

With the inspiring theme, "**Anaesthesia 2035: Shaping the Future with Clinical Excellence**," this conference aims to look beyond the horizon and explore the innovations, technologies, and clinical practices that will define our specialty in the years to come. Our scientific program has been thoughtfully curated to be truly path-breaking, bringing together distinguished experts, visionary leaders, and emerging talent to lay the foundations for the future of anaesthesia, critical care, and pain medicine.

Beyond academics, RSACPCON 2027 offers an opportunity to experience the timeless charm of Lucknow—its renowned adab, tehzeeb, and the unique spirit of the Ganga-Jamuni culture that has inspired generations. We look forward to welcoming you with the warmth and hospitality for which our city is celebrated, along with a memorable culinary journey through the rich flavours of Awadhi cuisine.

As you join us for four days of learning, networking, friendship, and celebration, we are confident that RSACPCON 2027 will be an enriching and unforgettable experience.

मुसकुराइए आप लखनऊ में है !

We eagerly await your presence in the City of Nawabs.

Warm Regards,

Organising Team

Aligned with the theme “**Anaesthesia 2035: Shaping the Future with Clinical Excellence,**” the Nursing and Paramedical Workshop at RSACPCON 2027 provides a valuable platform for healthcare professionals to advance their knowledge and practical skills in contemporary perioperative and critical care practices.

As part of a national conference, the workshop offers opportunities to learn from eminent experts, engage in hands-on training, and gain insights into emerging trends that will shape the future of patient care.

Emphasizing clinical excellence, teamwork, patient safety, and evidence-based practice, the workshop aims to empower nursing and paramedical personnel as integral members of the healthcare team.
